FOR IMMEDIATE RELEASE

GOT CABIN FEVER? COME JOIN WAY FOR A FEBRUARY FROLIC STREAM CLEANUP

Got cabin fever? Want to get the kids and spouse out of the house? Come join the Watershed Alliance of York for a February frolic stream cleanup! Opportunity to help cleanup trash and floating debris along Kreutz Creek and learn what you can do to help protect our Earth. Fun for the whole family!

The 'Got Cabin Fever' Cleanup will be held Saturday February 16, 2008, from 10:00 AM to 2:00 PM, at 295 Campbell Road, off the Lincoln Highway (Rt. 462) in Hellam Township. Cleanup work gloves, trash bags and light refreshments will be provided to volunteers. A special need is one or two individuals who are skilled with using a chainsaw safely to remove woody debris entanglements. Volunteers are advised to dress casual, wear sturdy footgear, and dress appropriately for the weather. If the National Weather Service issues a winter weather advisory (extreme cold or precipitation) for the day of the event, the cleanup will be cancelled. Funding provided by PPL Corp.

The Watershed Alliance of York is a coalition of stakeholders committed to encouraging watershed-based planning, restoration and protection in York County and beyond. To learn more about WAY, please visit our web site at www.watershedsyork.org. Cleanup pre-registration requested by February 14, contact Gary R. Peacock at (717) 840-7430 or gpeacock@yorkccd.org, and leave your name, number attending and telephone number or e-mail you may be reached at.
